In the index of Volume 4, issue 1 (May, 2000) the title of the fourth original article by M. Rodríguez-Niedenführ, T. Vázquez, I. Parkin and J.R. Sañudo was as follows: «Effects of in vitro immunosuppression of interleukin-6 on the proliferation of rat hypophyseal cells». Owing to a printing error the title of that article should have read (as in the title of the article itself): «*Extensor carpi radialis accessorius inserting into the abductor pollicis brevis*».
